Dear **URVEESH RAJ SRIVASTAVA**

We are thrilled to offer you a virtual internship as a Web Development intern at iNeuBytes. Congratulations! This internship will provide you with valuable hands-on experience in **Web Development** and an opportunity to enhance your skills in this dynamic field.

As an intern, you will work closely with our experienced web development team on various projects. Your role will involve:

- 1.Design, implement, and manage websites and applications using HTML, CSS, and JavaScript.
- 2.Develop and test features across multiple browsers, platforms, and devices, including smartphones and tablets, and Integrate various functionalities using JavaScript and APIs.
- 3.Conducting quality assurance and testing: Test websites and web applications, identify and fix bugs, perform cross-browser compatibility tests, optimize performance, and ensure a seamless user experience.
- 4.Collaborating with the team: Actively participate in brainstorming sessions, share ideas, and contribute to the overall success of projects by working closely with the web development team.

This is a full-time virtual internship position, requiring a commitment of 40 hours per week. The duration of the internship will be from June 14, 2024, to July 16 2024. Although this is an unpaid internship, the experience and skills you will gain during this period will be invaluable for your future career in web development. To accept this internship offer, please sign and return a copy of this letter by June 16, 2024. If you have any questions or need further information, please do not hesitate to contact us.

Congratulations once again, and we eagerly await your positive response.

**Regards,**
